JUNXU ZHANG

WEB DEVELOPER

CAREER OBJECTIVE

Hard-working Computer Science major currently attending The University of Melbourne. Aiming to leverage a proven knowledge of designing and developing user interfaces, web page content, and programming skills to successfully fill the Web Developer role at your company. Frequently praised as focused by my peers, I can be relied upon to help your company achieve its goals.

EXPERIENCE

DATA ANALYST (INTERN)
Accunique, Beijing, Beijing / Dec 2019 - May 2020

- Analyze technology trends to identify markets for future product development or to improve sales of existing products.
- Analyze competitive market strategies through analysis of related product, market, or share trends.
- Generate standard or custom reports summarizing business, financial, or economic data for review by executives, managers, clients, and other stakeholders.

DATA ANALYST (INTERN)
University of Melbourne, Melbourne, VIC / Feb 2020 - Mar 2020

- Compute and analyze data, using statistical formulas and computers or calculators.
- Enter data into computers for use in analyses or reports.
- Discuss data presentation requirements with clients.

JUNIOR JAVA DEVELOPER (INTERN)
Shenyang Jida Software Co., Ltd., Shenyang, Liaoning / Jul 2016 - Sep 2016

- Collaborate with computer manufacturers and other users to develop new programming methods.
- Compile and write documentation of program development and subsequent revisions, inserting comments in the coded instructions so others can understand the program.
- Write, update, and maintain computer programs or software packages to handle specific jobs such as tracking inventory, storing or retrieving data, or controlling other equipment.
